The authors of this paper have requested its removal, stating that the copy posted from a link in the [June 25, 2013 \*New York Times\* DealBook “Deal Professor” blog, “The Intricate Endgame for Dell,”](#) was a draft and that its publication was unauthorized. The draft had been correctly referenced in the earlier [June 23, 2013 \*New York Times\* Fair Game column, “For Dell Investors, a Safety Valve,”](#) as an “unpublished paper.”

For a summary of the draft pending availability of its revision, see
