Safe Harbor Statement Under the Private Securities Litigation Reform Act of 1995: This release contains, and certain oral statements made by our representatives from time to time may contain, forward-looking statements. Generally, forward-looking statements include information describing actions, events, results, strategies and expectations and are generally identifiable by use of the words “believes,” “expects,” “intends,” “anticipates,” “plans,” “seeks,” “estimates,” “projects,” “may,” “will,” “could,” “might,” or “continues” or similar expressions. The forward-looking statements in this press release include without limitation statements regarding our expectation regarding building shareholder value. Such statements are based on the beliefs and assumptions of HC2’s management and the management of HC2’s subsidiaries and portfolio companies. The Company believes these judgments are reasonable, but you should understand that these statements are not guarantees of performance or results, and the Company’s actual results could differ materially from those expressed or implied in the forward-looking statements due to a variety of important factors, both positive and negative, that may be revised or supplemented in subsequent reports on Forms 10-K, 10-Q and 8-K. Such important factors include, without limitation, issues related to the restatement of our financial statements; the fact that we have historically identified material weaknesses in our internal control over financial reporting, and any inability to remediate future material weaknesses; capital market conditions; the ability of HC2’s subsidiaries and portfolio companies to generate sufficient net income and cash flows to make upstream cash distributions; volatility in the trading price of HC2 common stock; the ability of HC2 and its subsidiaries and portfolio companies to identify any suitable future acquisition opportunities; our ability to realize efficiencies, cost savings, income and margin improvements, growth, economies of scale and other anticipated benefits of strategic transactions; difficulties related to the integration of financial reporting of acquired or target businesses; difficulties

completing pending and future acquisitions and dispositions; effects of litigation, indemnification claims, and other contingent liabilities; changes in regulations and tax laws; and risks that may affect the performance of the operating subsidiaries and portfolio companies of HC2. These risks and other important factors discussed under the caption “Risk Factors” in our most recent Annual Report on Form 10-K filed with the Securities and Exchange Commission (“SEC”), and our other reports filed with the SEC could cause actual results to differ materially from those indicated by the forward-looking statements made in this press release.
