Re: *Fair Value Investments, Incorporated v. Yagoda, et al.*  
C.A. No. 2020-0847-JTL

Dear Vice Chancellor Laster:

As plaintiff in the case cited above, Fair Value Investments believes that most of the issues its counsel had very effectively identified have been corrected by marketplace actions, and that the correction of remaining issues does not justify further attention by them or by the Court.

We will therefore support yesterday's motion of its counsel to withdraw subject to the Court's determination that they have satisfied all of their responsibilities for dismissing the case. In this context, we do not intend to engage substitute counsel unless the Court directs us to do so.

Sincerely yours,  
FAIR VALUE INVESTMENTS, INCORPORATED
